Subscriptions

These will be kept at £15 per month for the coming year and are used to help meet the following:

- Running costs of the building.
- Insurance.
- Putting on activities and buying equipment.
- £25 per year per cub to the Scout Association.

All the adult roles are voluntary and unpaid. On a selfish basis, Standing Order is the easiest method for me and the Treasurer. If you pay by cash or cheques, please put it in an envelope with your kids name on.

Moving up to Scouts

Several kids are due to move up to the Scout Group. Cubs move up between 10.5 to 11 years old. I always try to send the kids up with a friendly face from our pack.

Scouts meet at 7.15 p.m. to 9:00 p.m. on Wednesday. If you have concerns about the later finishing time, please speak to Matt as he is happy for kids to be picked up earlier, if required.

Scouts get the opportunity to do loads of great stuff. Have a look at the Scouts page on the website.

Badges – Where do they go???

There is a colour picture on the cub's page of the website.

Basics are:

Blue & Yellow Hexagons – Right side of chest.

Purple & Blue Circles – Down left arm.

Red & Yellow Circles – Down the left arm.

These are the new challenge awards.
